

Snap-In Hangers, 5/8", stainless steel (kit of 10)

Product Description

The one piece stainless steel snap-in cable hanger utilizes a locking prong design that ensures positive attachment to a 3/4" pre-drilled mounting surface. A cable locking tab system is used to secure the cable within the hanger. Snap-In hangers are easily installed by hand and do not require any fastening hardware or tools. Recommended spacing, 3 ft. (1 m).
